### About the Care and Repair Service:

Care and Repair is an independent charity based in Lanark covering all of South Lanarkshire. We provide a free and confidential service to those who need information, advice and practical help with carrying out adaptations and repairs to their home. This service is funded by the South Lanarkshire Council and NHS Lanarkshire.

***You are able to use the Care and Repair Service if you or someone who lives with you is:***

- A home owner or are a tenant of a private landlord
- 65 or older
- Living with a long-term health problem or illness

### Adaptations and Repairs

We offer a free service to enable you to achieve the adaptations or repairs that you need to allow you to remain at home. We cannot, however, pay for any work that may be required.
